Re: FOIA Request NLRB-2023-001935

Dear Parker Purifoy (Bloomberg Law):

This is in response to your request, under the Freedom of Information Act (FOIA), 5 U.S.C. § 552, received on August 15, 2023, in which you seek records “information about the amount of cases the NLRB settles every year for the past 10 years,” and specifically, a “detailed breakdown of the total number of meritorious ULPs as well as the total number that were settled every year by the agency. If it's possible, I would like this broken down by Region in addition to the overall agency data.” You assumed fees for the processing of your request in the amount of \$37.00. You also requested expedited processing.

We acknowledged your request on August 15, 2023. Your request for expedited processing was granted on the same date.

Pursuant to the FOIA, a reasonable search was conducted in the Agency's electronic casehandling system, NxGen, using the system's Settlement Rates report for each year. The search produced the requested data for Fiscal Years 2013 through FY2022, plus partial FY2023 from October 1, 2022 through August 8, 2023, which is being provided in an Excel file, with each Fiscal Year on a separate tab, which is attached. No information has been withheld. Your request is, therefore, granted in full.

For the purpose of assessing fees, we have placed you in Category C, as a representative of the news media, in that you qualify as a person “actively gathering news for an entity that is organized and operated to publish or broadcast news to the public.” NLRB Rules and Regulations, 29 C.F.R. § 102.117(d)(1)(vii). Accordingly, there is no charge assessed for this request.

You may contact Jodilyn Breirather, the FOIA Specialist who processed your request, at (414) 930-7208 or by email at Jodilyn.Breirather@nlrb.gov, as well as the Agency's FOIA Public Liaison, for any further assistance and/or to discuss any aspect of your request. The FOIA Public Liaison, in addition to the FOIA Specialist, can further explain responsive and releasable agency records, suggest agency offices that may have responsive records, and/or discuss how to
